## NOTICE OF TRANSFER OF TELEPHONE SERVICE

September 30, 2005

Dear Customer

Claricom Networks, LLC ("Claricom") currently provides your local and/or long distance service. Claricom and its affiliate, Matrix Telecom, Inc. ("Matrix") have agreed to merge in the near future, as a result of which Matrix will be the provider of local and/or long distance services to Claricom customers. This merger will not affect your rates or the terms and conditions of your service.

Subject to obtaining state and federal regulatory approvals, we anticipate that the merger will occur or about December 31, 2005. Unless you have begun using a service provider other than Claricom prior to this date, Matrix will become your local and/or long distance service provider following the merger. If Claricom is not your local service provider, the merger with Matrix will not impact your local carrier selection.

The rates you currently pay for long distance, as well as your terms and conditions of service, will remain unchanged immediately following the merger. If, in the future, there are any changes to your rates or the terms and conditions of your service, you will receive a thirty (30) day written notice.

Except in the event of the existence of a contract for your telecommunications service, you have the right to subscribe to local and long distance service from any service provider you wish. This decision is entirely up to you, and you may choose to switch to another carrier either before or after this change occurs. Matrix values your continued business and will gladly respond to any questions or complaints you may have about your service either prior to or during the change. Because of this change, a carrier change charge may appear on your bill. However, Matrix will be happy to credit any such charges that appear on your bill due to the change to Matrix. However, selecting a carrier other than Matrix may result in a charge being imposed for which Matrix will not be responsible.

If you are a long distance customer only, and you have arranged a preferred carrier freeze through your local carrier on the service(s) involved in this transfer, the freeze will be removed in order to allow Matrix to operate as your service provider. After the merger, you must contact your local carrier if you want to re-establish a preferred carrier freeze.

Until the merger takes place, Claricom will continue to be responsible for all customer service and billing issues. You should contact Claricom with any complaints or other customer services inquiries you may have prior to the merger. After the merger, you should refer your questions to Matrix.

If you have any questions regarding this notice, please contact Matrix toll-free at (888) 829-6926.

Sincerely,
